Third-Party Providers

The below list is a list of Xandr's third-party partners which may receive Platform Data and other Information (as defined in Xandr's Platform Privacy Policy) as a result of their partnership with Xandr or due to their partnerships with Xandr customers using Xandr's technology. Individuals and customers may share such information with these partners using Xandr technology depending on their specific circumstances, settings and controls in place. If you would like to opt-out or exercise other privacy rights, please visit <https://privacycenter.xandr.com>.
